## About Flying Focus

Since 1991, Flying Focus Video Collective has been using video as a tool for social change, voicing the voiceless.

The shows in this catalog update were produced between January and June 2019, using both Flying Focus and Open Signal/Portland Community Media equipment. Views expressed do not necessarily reflect those of OS/PCM, Flying Focus, nor any group or individual appearing on the programs. You can watch full episodes, clips, and retrospective shows on our website and on YouTube. 50 clips and 56 full-length shows have garnered just over 48,000 views.

This is the second insert for inclusion in our full 2018-2021 catalog, available at <http://www.flyingfocus.org>. We can send you a hard copy of the full catalog for a \$3 donation. If you have a catalog, staple this in to create a full version.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
