About Flying Focus

On July 1, Flying Focus Video Collective became a project group of the nonprofit Peace and Justice Works (PJW). Under this umbrella, FFVC will continue using video as a tool for social change, voicing the voiceless, as we have done now for over 30 years.

The shows in this catalog update were produced between December, 2021 and June, 2022, using both Flying Focus and Open Signal/Portland Community Media equipment. Views expressed do not necessarily reflect those of OS/PCM, Flying Focus, PJW, nor any group or individual appearing on the programs. Episodes, clips, and retrospective shows are available on our website and on [YouTube.com](https://www.youtube.com). **52 clips and 75 full-length shows** have been viewed over **54,500 times**. Watch shows at flyingfocus.org/videoclips.html.

This is the third set of shows for inclusion in our 2021-2024 catalog (in progress). Send us \$3 and we can mail you one when it is ready.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows. Please add \$3 for programs on a USB flash drive.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
