### About Flying Focus

**J**uly marked 32 years since Flying Focus Video Collective began as its own entity, with activist videographers voicing the voiceless. Our original distribution was on VHS tape, now we mostly use DVDs, USB drives or the internet.

The shows in this catalog update were produced between December, 2022 and June, 2023, using both Flying Focus and Open Signal/Portland Community Media equipment. Views expressed do not necessarily reflect those of OS/PCM, Flying Focus, Peace and Justice Works, nor any group or individual appearing on the programs. Full episodes, shorter clips, and all 31 retrospective shows are available on our website and on YouTube.com. 53 clips and 79 full-length shows have been viewed nearly 56,500 times. Watch shows at [flyingfocus.org/videoclips.html](https://flyingfocus.org/videoclips.html).

This is the fifth catalog update since August 2018.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows. Please add \$3 for programs on a USB flash drive.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
