About Flying Focus

Volunteers at Flying Focus Video Collective have been using video as a tool for social change, voicing the voiceless since 1991.

The shows in this catalog update were produced between July and December, 2020, using both Flying Focus and Open Signal/Portland Community Media equipment. Views expressed do not necessarily reflect those of OS/PCM, Flying Focus, nor any group or individual appearing on the programs. Full episodes, clips, and retrospective shows are available on our website and on YouTube. 51 clips and 65 full-length shows have garnered over 51,000 views. View shows by category, including Police Accountability, Multicultural Issues, and Civil Rights on our site at flyingfocus.org/videoclips.html.

This is the fifth and final insert for inclusion in our 2018-2021 catalog, which is available at flyingfocus.org. We can send you a hard copy for a \$3 donation. If you have a catalog, staple this in to create a full version.

Order DVDs (or VHS Tapes) for the same suggested donation: \$8 for 30 minute shows, \$11 for one hour shows, \$14 for longer shows. Please add \$3 for programs on a USB flash drive.

Streaming rights for full-length shows are available for \$75 for individuals/non-profits or \$125 for larger institutions.
